WORKPLACE RECOVERY

## Get your business back on its feet.

While catastrophic events grab the headlines, businesses are more likely to be impacted by everyday disasters. Extreme weather events, power, utility, hardware and communications outages, or a fire at your headquarters could make your workplace unavailable to employees.

11:11 Workplace Recovery provides secure, physical work space so your organization can keep business running. Whether you need fully redundant and secure workplace seats at an 11:11 facility, or a mobile office delivered to a suitable location, we can provide you with options to help your organization keep moving forward.
